

Directions to Riversdown House via the M3 motorway.

(If you get lost, call 01962 771111)

- 📍 Drive on the M3 towards Winchester.
- 📍 Turn off the M3 at Winchester (junction 9 from the north, or junction 10 from the south) and follow signs to the A272.
- 📍 After about 2.5 miles on the A272 itself (not the connecting roads) take a very small turning on the right sign-posted "Warnford / Preshaw".
- 📍 Follow this road for 4 miles (you will go over various crossroads) and then take a small turning to the left, at a crossroads, signposted "Riversdown/Brockwood".
- 📍 Go along this road for just under a mile and take the second turning on the left sign-posted "Riversdown House".
- 📍 Follow the drive until you come to a car park on your right (after the white building). Once parked, walk to the front of the long low building next to the car park, go inside, and see the secretary in the first office on the right.*

* If you arrive at the weekend, instead of turning into the car park, carry on up the drive following the fork to the right. You will come to a large building, Riversdown House. Go inside and ask to speak to a member of staff.
